Would I send my friends and family on this journey? We judge our success by the growing number of travelers we attract each year simply by word of mouth. See what some China Discovery Tours travelers have said about their adventures.

*"I can't thank you enough! You guys really did an amazing job. As I look at the accommodations, the huge amount of transportation, and all the meals and entry fees included in the package, I think it was an incredible value. I never stay in hotels that nice when traveling on my own!"*

- Michael Grant, San Francisco, CA

*"Our family trip was so magical...Here is a pic of Susu and me at the orphanage giving toys to the kids. You have done an amazing job putting together this unforgettable time for us. The tours, hotels, guides, details were truly fabulous! I commend you on your planning and working with us to make this happen!"*

- Karen Harvey, Tarzana, CA

*"Thank you so much for the arrangements you made for us in Beijing and Shanghai on our recent cruise. Everything turned out perfectly. The guides were on time, spoke very good English and were informative."*

- Edna Flores, Los Angeles, GA

*"You certainly went way beyond the call of duty when it came to taking care of us. You answered all our questions promptly (and we had a lot of them) ...and then, of course, when we finally arrived, we were treated with TLC all through our journey. Thank you!"*

- Pam Eaton, Dennis, MA
